

Advisement Newsletter

April 15, 2021 This will be the LAST Newsletter for Winter semester!
Newsletter will resume in the Fall.

Best wishes for success on your final exams! Have a great
Spring and Summer!

Upcoming Events:

BYU University Commencement

Thursday, April 22, 2021 | 10am | Broadcast Live on BYUTV from the Marriott Center
You will be able to watch it with your friends and family. For full details visit the website:
enrollment.byu.edu/registrar/commencement

College of Engineering Convocation Ceremony

Thursday, April 22, 2021 | 2pm | YouTube Livestream
The College of Engineering Convocation ceremony will take place following Commencement on April 22nd. Be sure to tune in to hear one of your fellow ECEn graduates, Jennifer Hale, speak during the ceremony!

The event will be live-streamed on the **BYU Engineering YouTube Channel**, [Click Here to Subscribe](#).
If you have questions regarding graduation, please email engineering_graduation@byu.edu.

Reminder: Don't forget to pick up your Graduation Gift Package! You may pick it up in the EB Event Space, April 19-21, 9am-3pm or in the Clyde Building April 19, 9am-3pm.

ECEn Department Convocation Ceremony

Thursday, April 22, 2021 | 2:30pm | [YouTube Livestream Link](#)
The ECEn Department Convocation Ceremony will take place immediately after the College of Engineering Convocation Ceremony.

ECEn Locker Rental

Hello ECEn Students!

In order for us to keep track of the lockers in the North Corridor of the EB, it is essential that you each **register your locker** with a student secretary in the ECEn Office (450 EB). If you have not registered your name and email with the ECEn Secretaries, you are not authorized to use the lockers.

You are responsible for your items. If you do not have a lock on your locker, you run the risk of your items being moved or stolen. We cannot monitor the ownership of the lockers if you do not register and lock your locker.

Please contact ecen_secretary@byu.edu or the secretaries in EB 450 with any questions.

ECEn 240 Add Codes

As Spring registration opens up, all students planning to enroll in ECEn 240 will need to obtain an add code from Janalyn Mergist, ECEn Academic Advisor. Please request via email, janalyn@ee.byu.edu. In order to be eligible, you will need a minimum B average in the pre-reqs of Math 112, Math 113, Physics 121, Physics 220, and CS 142 or a minimum B average in Math 113, Physics 220, and CS 142. Please provide your name and BYU ID #, also current grade in any pre-reqs you are currently enrolled in (snapshot of Learning Suite).

Scholarships & Fellowships:

ECEn Department Scholarship Application for Fall 2021/Winter 2022 is now open!

The application can be accessed at the following link:

https://byu.az1.qualtrics.com/jfe/form/SV_1TjfRBHZVcxmBbE

Deadline to apply is April 21, 2021.

Utah NASA Space Grant Consortium Fellowship

Are you involved in space-related research? The Utah NASA Space Grant Consortium is now soliciting applications for BYU student fellowships. Grad students involved in research with faculty members can receive additional money from NASA. Some undergraduates will also be considered. The application can be found at <https://engineering.byu.edu/scholarships> under "Utah NASA Space Grant Consortium Fellowship." The deadline for submission is Friday, May 28, 2021.

Please refer to ECEn Department Advisement Board outside of 450 EB and 460 CB for non-BYU scholarship opportunities.

Experiential Learning Opportunities:

Study Abroad Opportunity:

Peru/Ecuador Global Engineering Outreach 2021-2022

We're excited to share with you an opportunity to participate in an engineering class and study abroad where you'll engage in real projects for implementation in Peru and Ecuador. This 3-credit hour* class (1 credit in the fall, 2 in the winter) is open to SOPHOMORES, JUNIORS, and SENIORS. The 2-week implementation study abroad will occur directly after the Winter semester (2022). ***Although 3 credits will be earned, ECEn students may only apply a maximum of 2 credits towards technical electives within the major.**

For more information and to apply, [click here](#). Applications are due Tuesday, April 20, 2021 at midnight. Email randy.lewis@byu.edu with any questions/concerns.

Employment & Internship Opportunities:

For the latest jobs and internship postings, please visit **Handshake** - BYU's online job board. Employers who want to hire BYU graduates or offer internships to current students post job openings and campus events to this website, making them accessible to students. Just like LinkedIn, employers can view student profiles and students can network as they apply for jobs and internships. For the most up-to-date information on companies and employers, visit the Handshake website. To create a student

Handshake profile, go to handshake.byu.edu and log in with your BYU NetID and password. Don't forget to download the Handshake app! Available for both iOS and Android.

Technical Artist Needed

Are you an Electrical Engineering undergrad with excellent technical art skills? If so, Dr. Smalley is looking to hire you! **Those who are interested, please contact him at smalley@byu.edu.**

University Career Center

If you would like EVEN MORE help in your job or internship hunt, the Career Center at BYU is happy to help! You can call 801.422.3000 to schedule a Zoom appointment (or phone appointment if you prefer) to get help, resources, and ideas they have to share on the job hunt! The career services are free, and you can meet with them as often as you would like!

Message from Tony Jewkes, Career Director, Engineering & Technology

As we progress through the semester with students still in need of help finding jobs and internships, please feel free to promote my services. Each week I maintain hours each day to meet with students one-on-one to help with their career search needs. Appointments can be made in the Student Services suite in 246 EB, in the Career Studio in the WSC or by calling 801-422-6535.

Please refer to ECEn Department boards near 460 CB for Non-BYU Summer Research Opportunities, Internships, and Employment!

★ Resources for Student Success ★

ONE CLICK AWAY! BYU's Academic Support Office has compiled a **One Stop Shop** for various campus resources for student success, including a live chat feature! Please use this link to be aware of and find the many out there that are available to you:

<https://aso.byu.edu/academic-and-campus-resources>

Accommodations | Career Services | Early Alert | Financial Fitness Center | First Year Mentoring | GPA Calculator | Learn Anywhere | Multi-Cultural Services | Managing Personal Concerns (CAPS) | Petitioning Grade Changes | Pre-Professional Advisement | Records and Registration | Research & Writing Center | Student Development Courses | Student Employment | TA Labs | Title IX Office | Y-Serve Tutoring | Women's Services & Resources

Did you know that the Electrical and Computer Engineering Department has a Slack Channel? [Click here to join!](#)

SLACK

(verb) to shirk or evade work or duty

(👤) A way to make sure you're never behind on work!

Follow the QR code and join the ECE department Slack channel to help you stay up to date on important announcements so you never get behind!
